

Do you want to start an Asian  
restaurant in Toronto?

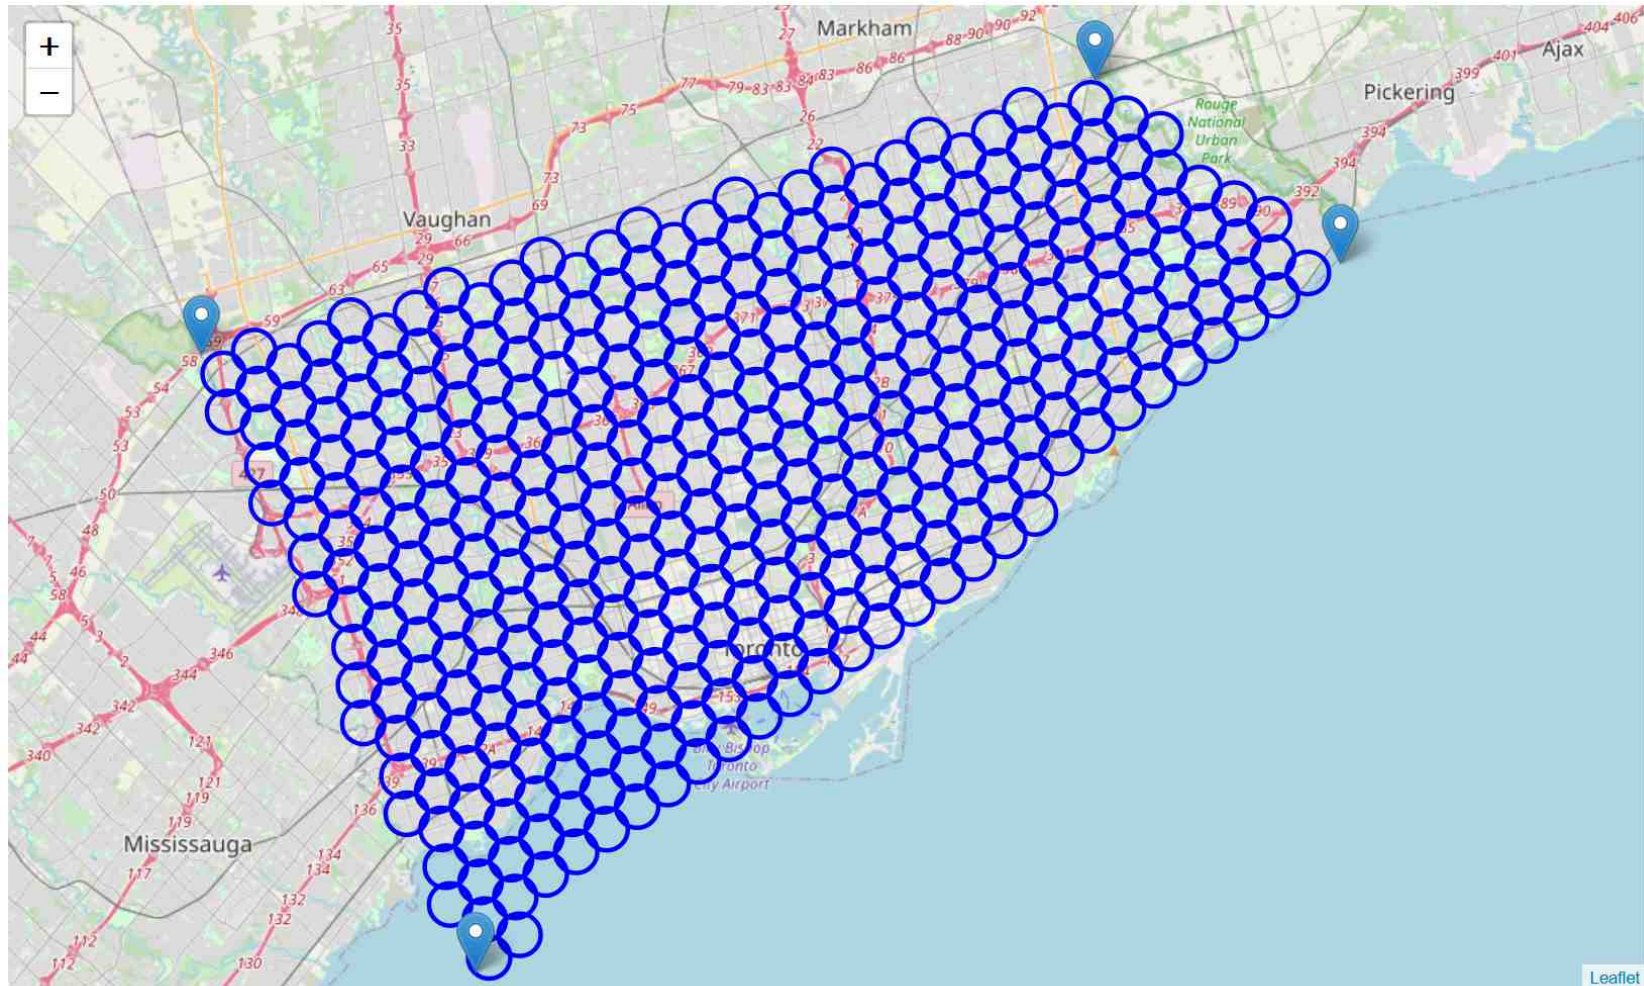

Do you want to start an Asian  
restaurant in Toronto?

Here is an easy recipe of what you should do...

Look at the map of Toronto and create boundary points of your area of interest:

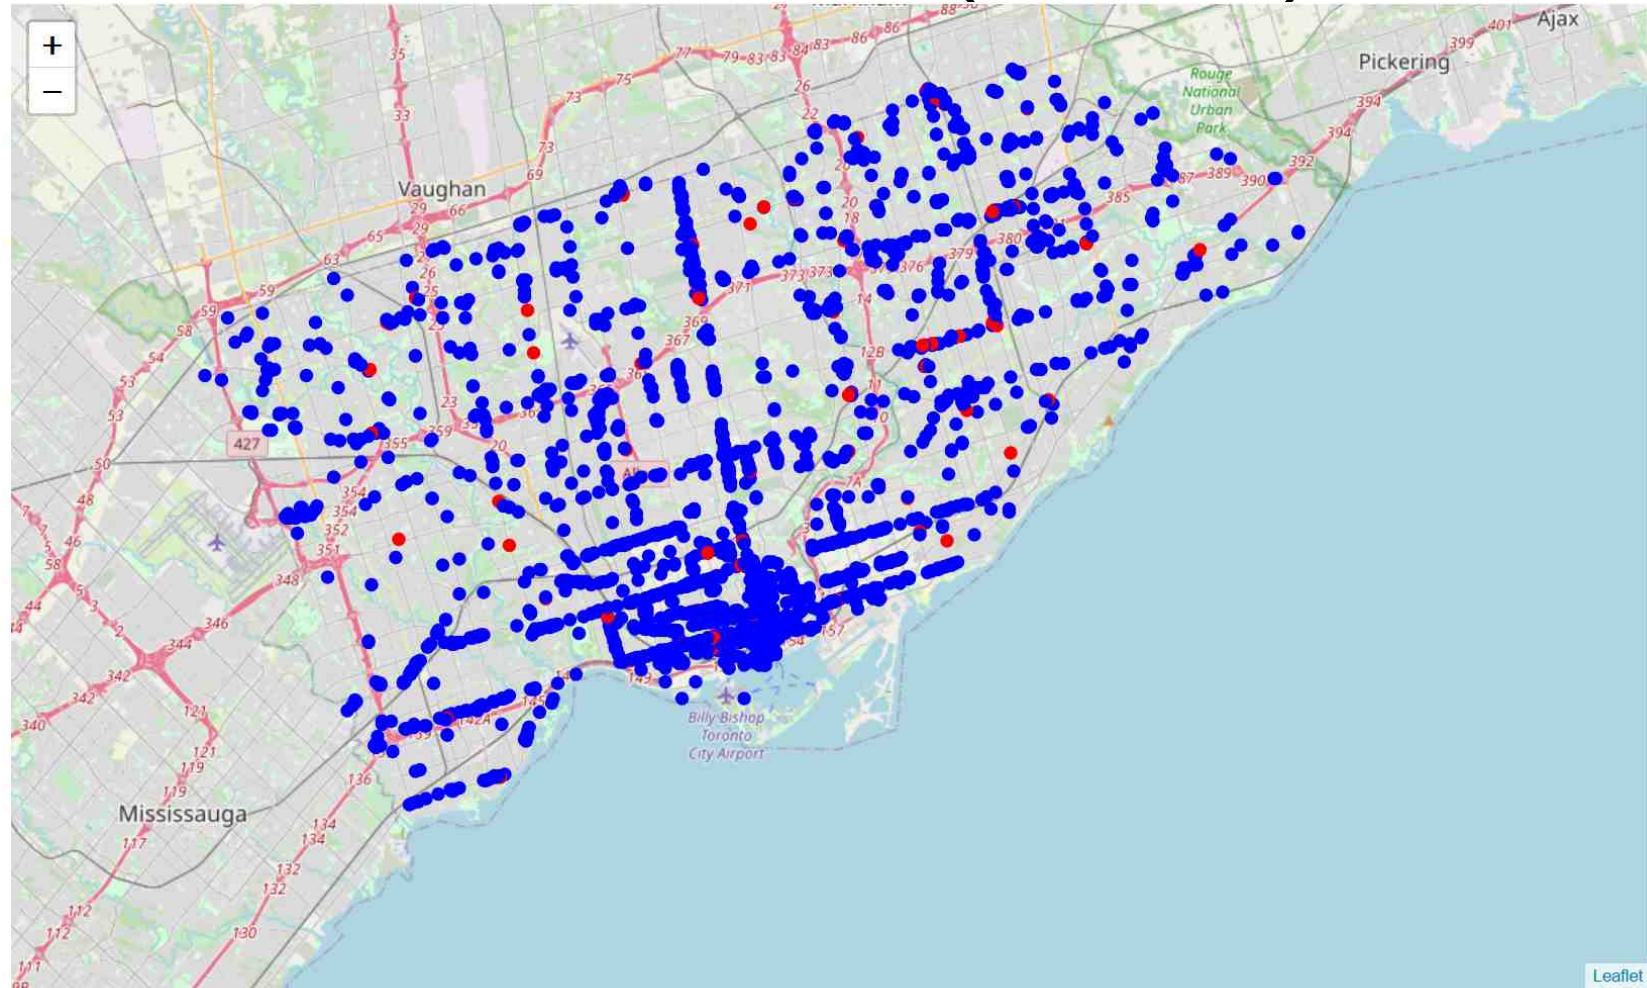

# Create a grid to use with Foursquare

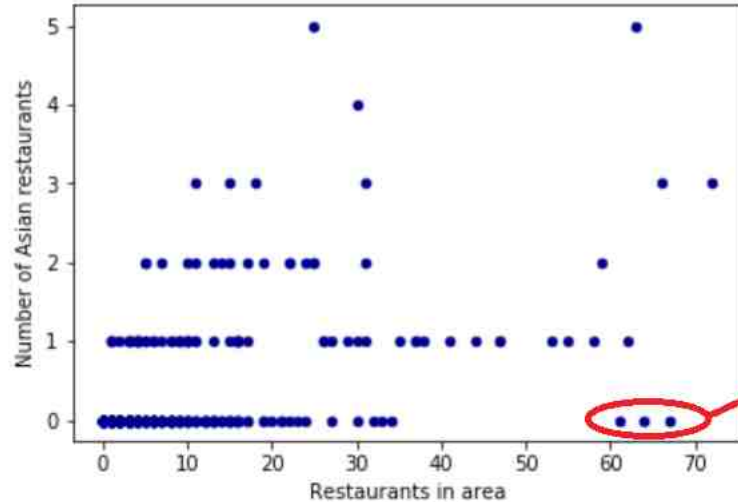

Find all the restaurants (blue dots) and all the Asian restaurants (red dots).

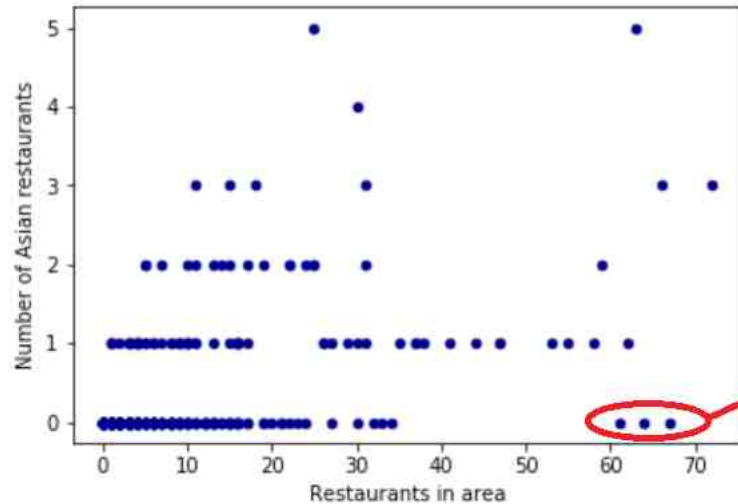

For each circle, look at the number of restaurants vs. number of Asian restaurants and identify the outliers.

	Latitude	Longitude	Restaurants in area	Number of Asian restaurants
155	43.663323	-79.375069	64	0
173	43.705620	-79.396526	61	0
199	43.665953	-79.420470	67	0

For each circle, look at the number of restaurants vs. number of Asian restaurants and identify the outliers.

	Latitude	Longitude	Restaurants in area	Number of Asian restaurants
155	43.663323	-79.375069	64	0
173	43.705620	-79.396526	61	0
199	43.665953	-79.420470	67	0

You have found your three best candidates!

And here they are on the map:
